SUPPORT

Cooper Software is a leading technology consultancy that delivers successful and innovative business change.

We are a systems integration specialist with a focus on making our clients' business systems work harder and have delivered over 700 projects to over 200 clients worldwide.

Whether that's fitting an Enterprise Software system to meet unique business processes, providing a one-stop shop for Business Intelligence needs, developing bespoke applications, joining your system and those of your supply chain together or providing round the clock support using our unique skills, tools and utilities, Cooper Software has the breadth and depth of knowledge to Make it Work™.

We are an IFS Business Partner, a Qlik Solution Partner and a NetSuite 2-Star Solution Provider. Since being founded in 2005, we have grown to become one of Europe's largest independent provider of products, consulting services and support for Enterprise Software and Business Intelligence Solutions and are one of only a handful of Mobile App developers in Scotland.

We take a holistic approach to working with our clients and look to understand the fundamentals of their business in detail.

Making use of our industry-leading software products, our expert full-time team of functional and technical consultants, our business intelligence consultancy and our dedicated 24/7 support desk - our clients achieve a greater degree of satisfaction with their system overall.

Our Mission

Our mission is to make our clients' Enterprise Software and Business Intelligence systems work for them. Every business is different and we specialise in making these systems meet the unique needs and wants of each client.

Our Values

At Cooper Software we believe in developing an open, transparent and friendly relationship with our clients and co-workers. As individuals we are approachable and trustworthy; as a company we are extremely committed to our clients and employees. We are reliable and strive to ensure that our work is always of the highest quality. We are proud of the work we do and confident in our ability and expertise.
